A new request has been received in the Pacific Region. Please see below and forward your Search fee estimate by **noon on July 9th along with justification**. If you have a 'no records' response, please advise by e-mail ASAP.

**Note:** the 5-hour search requirement for filling out the Search estimate form applies to the entire Region, cumulatively. **Please fill in a Search Estimate form regardless of the time it takes you, individually, to identify records relevant to this request.** You may send the form to me by e-mail or fax (604-666-1847). I will collect and tally them up and inform you accordingly.

When providing your records, please ensure that all attachments have been provided and e-mails are being printed separately as we are having a problem with different e-mails being printed on the same page.

Please do not submit double-sided records - only single-sided print outs will be accepted. Please provide 2 copies of your records as usual.

The completed "Return Memo" form (attached) MUST be submitted with each response.

**Also note:** Effective immediately, all incomplete records will be returned to the OPIs for correction.

OPIs must provide comments and recommendations when records are sent to the ATIP Secretariat. If no recommendations are provided, ATIP will assume the OPI has no concerns regarding full disclosure of the records unless notified.

The program manager must be prepared to answer questions which might result from disclosure of this information
